GOVAN THRIVING PLACE

Govan Thriving Place is a ten-year commitment from Glasgow Community Planning Partnership (CPP) with the aim of helping to improve the quality of life of people who live and work in Govan, along with another 9 areas in Glasgow. Through discussions and consultations within the community, a number of local priorities emerged for Govan. These have formed the basis for the working groups listed below, which are made up of organisations, groups, statutory services, and community members. If you are interested in finding out more or getting involved in any of these groups, please get in touch!
